Turning Right on Red

What you need to know!
WANT TO TURN RIGHT ON RED?

You can turn right on red, except when you see a 'No Turn on Red' sign.

DRivers, When you:

SEE THIS     DO THIS

→OR←       Stop your vehicle before the crosswalk.

Wait for the light to turn green before turning right.

Turn right when there is a safe gap in traffic and there are no pedestrians in the crosswalk.
