

Need a ride?

Here are transportation resources that can help you!

FIND A RIDE FLORIDA (FindaRideFlorida.org)

WHAT IT DOES:

- Provides a list of **transportation options**, based on your location, trip type, and needs
- Provides **contact information and hours of operation** for your local transportation options
- Operates a **helpline at (352) 273-9624**, if you need help navigating the website or have questions

PUBLIC TRANSPORTATION AGENCIES

WHAT THEY DO:

- Provide **transportation** to the public within a local service area
- Offer **ADA paratransit transportation services for eligible riders** with a disability that prohibits them from accessing the public transportation system
- Help **plan trips** for any rider through **Travel Trainers**, where available

COMMUNITY TRANSPORTATION COORDINATORS

WHAT THEY DO:

- Help with **eligibility applications** for the **Transportation Disadvantaged (TD) program**
- Provide or coordinate **rides for TD individuals** who, due to disability, income, or age, cannot transport themselves or afford transportation and rely on others for essential travel
- **Coordinate rides with public and private agencies** based on available resources and rider needs
